COLLABORATIVE  
PRACTICE

Resolving Disputes Respectfully.

# HOW CAN A CERTIFIED DIVORCE FINANCIAL ANALYST® LIKE CATHY HELP YOU?

## Benefits of Engaging Cathy Daigle, LLC:

- Professional guidance addressing YOUR personal financial needs.
- Maximize the financial benefits for both spouses.
- Objective planning in an emotionally charged situation.
- Peace of mind regarding an equitable financial settlement.
- Over sixteen years divorce planning experience.

“Providing experience, knowledge, and perspective to help meet your financial goals.”

## A Six-Step Approach

Step 1: **Get to know you**, your financial concerns and objectives, and gather appropriate data.

Step 2: **Collaborate** to create a solution for your family, by your family. Communication is key!

Step 3: **Analyze your data**, including assets, debts, income, expenses and taxes.

Step 4: **Explore options** tailored to your situation.

Step 5: **Present financial findings** to you and your team. Utilize the data to promote further discussion and reach agreement.

Step 6: **Assist with follow-through**. The best plans are often those acted upon in a timely and effective manner.

## You Will Receive:

- Objective viewpoints in determining the estimated short and long term financial impact of various divorce settlement options.
- Personalized reports and graphs that illustrate estimated financial results, cash flow scenarios, and projected net worth of both spouses.
- A clear understanding of your individual financial needs, including:
  - Keeping the house
  - Valuing and dividing property
  - Retirement accounts and pensions
  - Tax implications
  - Needs-based analysis for understanding support

## Cash Flow Models

Essential for creating mutually agreeable and long lasting settlements
